 - B. Complete application forms and provide evidence of legal employable status in the United States of America.

It is JATC policy that no one shall be treated differently, separately or have any action directly affecting him or her taken on the basis of race, color, sex, religion, national origin, age, sexual orientation, disability or genetic information where a person is otherwise qualified or could be with reasonable accommodation.

SELECTION PROCEDURES

The success of an organization depends on the quality of its employees, i.e., the personal characteristics and natural abilities they possess, as well as experience and/or training they have acquired. Since the purpose of this apprenticeship system is to provide the contractors we serve with high quality employees, our selection procedure is designed to select only people who possess the following personal characteristics and attributes:

- **GOOD HEALTH** - in good physical condition w/endurance and agility.
- **INTEGRITY** - honest and trustworthy.
- **DEPENDABLE** - prompt, attentive, and responds to authority.
- **HIGH MOTIVATION** - productive w/strong desire to reach full potential.
- **GOOD SPATIAL APTITUDE** - ability to visualize the way shapes and sizes fit together in a chronological order.
- **MANUAL DEXTERITY** - good hand/eye coordination and ability to learn to use carpenter tools efficiently.

We accept applications year round and enroll only the number we have job opportunities for. Our Selection Committee attempts to select the people who are best suited for this **very demanding program.**

RELATED AND ON THE JOB TRAINING

We provide two distinct types of training:

1. **Related Training**

- a. Once accepted into the program, classes will be held at the Training Center at 8751 King Street in Anchorage. This will consist of approximately 30% classroom and 70% manipulative work (working with tools and materials of the trade).
- b. Yearly Hour Requirements:

<u>Carpenter</u>			<u>Piledriver</u>		
1st Year	240 hours	(6 weeks)	1st Year	160 hours	(4 weeks)
2nd Year	240 hours	(6 weeks)	2nd Year	160 hours	(4 weeks)
3rd Year	240 hours	(6 weeks)	3rd Year	160 hours	(4 weeks)
4th Year	240 hours	(6 weeks)	4th Year	160 hours	(4 weeks)
TOTAL	960 Hours	(24 weeks)	TOTAL	640 Hours	(16 weeks)

2. **On the Job Training**

- a. Apprentices are employed as productive workers in accordance with the Collective Bargaining Agreement as jobs are available with Union Contractors.
- b. O.J.T. Hours Required: TOTAL 6,040 hours (Carpenters/Millwrights/Scaffold Erectors) and 4,560 (Piledrivers and Divers)

The starting wage for an apprentice is 60% of Journeyman scale. Apprentices receive an increase in wages every 875 hours/1,000 hours.

TERM of APPRENTICESHIP

The term of apprenticeship shall not be less than 7,000 hours (Carpenters, Millwrights, and Scaffold Erectors)/5,200 hours (Piledrivers and Divers) of reasonably continuous employment.

APPRENTICE WAGES and WAGE PROGRESSION

Apprentices shall be paid based upon the following percentages of the journeyman wage rate:

Carpenter/Millwright/Scaffold Erector							
1st	1 - 875	Period	60%	5th	3,501 – 4,375	Period	80%
2nd	876 – 1,750	Period	65%	6th	4,376 – 5,250	Period	85%

COST

Once accepted into the program, on the first day of class apprentices will be expected to pay for books and to join the Union; however, grant funds may be available (for books and tools) to those who qualify, through the Department of Labor. These costs are as follows:

Books - \$300.00 (approximate cost, due first day of class)

Union - \$81.00 (approximate cost, due first day of class)

Hand Tools - \$700.00 and up (Must have primary tools by end of first year class)

GENERAL INFORMATION

Between classes each year, apprentices work on Union construction job sites as jobs are available. We do not guarantee you a job. When apprentices are on a job and it is time come in for the next related training class, apprentices are required to quit the job (the employers know this).

Apprentices are required to join the local union (apprentices will join on the first day of class).

Apprentices cannot work on any Union jobs or attend classes unless they are a Union member.

There is no tuition for training; however, each year when in class, students can draw unemployment if you would be eligible under normal circumstances to draw it. Also, if a Veteran, the school is V.A.

approved. Check with the V.A. office to see if educational benefits are available, such as the GI Bill.

When begin working for a Union Contractor, Pension and Health & Welfare benefits will begin, paid as part of the wage package by the employer. No benefits are paid on classroom hours.

Please call the school office with any questions. Office hours are 7:30 A.M. to 4:30 P.M., Monday through Friday.
